Best of France

FRENCH WINK

"Adopt the French attitude"

"French Wink is the 1st American platform dedicated to support, import and gather French Creative Brands in the US in Art, Craft and Fashion."

I started to take pictures in its stand, i was delighted by the beautiful creations they have brought there, beautiful jumpers and sweaters, socks, pictures, necklaces, bracelet. Also, bags by Maison du Linge, with its lovely design and fabric.

TANYA HEATH

"4 hauteurs, une multitude de possibilités"

These are versatile and multifacetic shoes. Really comfortable indeed and practical! First, you choose the kind of shoe you want among the different styles and shapes, moccasins, bailarinas, Oxford, etc.. Infinite varieties of shoes and way more varieties of heels you can clip and un-clip to your heel. After choosing the model you want from Tanya's quality shoes, you can buy different heels and make as much combinations as you want having a comfortable and unique shoe that looks tailor-made for you!

You won't get bored of your Tanya Heath's chaussures, with multiple possibilities for everyday!

For example, this Oxford shoe, with pink heel during the day and Golden heel for the night!

She is a great designer, based in Paris, concretly you can find her boutique at 22 Rue du Dragon, 75006 Paris, from 10h to 19h, or call at +0983804327. Her webpage is: www.tanyaheath.com FB: talontuese and email: contact@tanyaheath.com

SAINT JAMES

These are the well-known striped shirts that you may have seen Jean Paul Gaultier usually wearing. You can find different colours besides the most common one, the navy blue. Also, black, pink or red among others. these shirts fit perfectly with jeans, specially during summer season! Simple to wear, following the french saying, the simpler, the better!

GOURMANDIE

Regarding the food, France is one of the best countries for its quality food! Famous and recognised as top cuisine around the world, we could try it on the different stand of the exhibition!

Dry-cured duck prosciutto & mesclun salad. Nutmeg bread crumbs. Succulent and intense flavour!

PRÉSIDENT

France's leading cheese company, we could try the Istars, P'tit Basque type of cheese and Brie, my favourite one! There was also an sculpture dedicated to the Brand made with butter. The World Guinness Record title for largest butter sculpture.

ERIC KAYSER

One of Paris best bakeries with franchises all over the world, had its stand full of people buying croissants, bread and more french delicatessen!
